The 2010 pool season is just around the corner. Weather permitting, our swimming pools will be opening late April. To prepare everyone for the upcoming season, we have listed a few friendly reminders. Most importantly, we want to make sure everyone has an enjoyable and relaxing time at the pools.

- All guests must be accompanied by residents.
- Children under 14 years old must be accompanied by an adult.
- Glass containers are prohibited.
- Pets are not permitted inside gated pool areas.
- Pool hours are from 9 a.m. to 7:30 p.m. daily.

We wish everyone safe and happy swimming!

Help Keep Our Community Clean

We are as happy to have your pets in our community as we are to have you. Although pets are so much fun, a little work is required to take care of them and to ensure your comfort in a clean community. We work hard to keep our landscaping beautiful. For your convenience and to assist in pet waste management, we have pet stations located throughout the community. Please make sure you take a bag from the station and pick up your pet's waste at ALL times. Properly disposing of pet waste is just as important. Do not leave pet waste bags outside doors or in breezeway areas. Whether a pet owner or not, we appreciate your help in notifying us of residents not abiding by pet rules. It requires effort from all in our community to maintain a clean, beautiful environment. Thank you all in advance your cooperation and for respecting the community you call "home".

April Fool's Day, or All Fools' Day, is the first day of April. No one knows where the custom began, but some historians believe it started in France. They had a New Year's festival that was celebrated from March 25 to April 1, and they would then exchange gifts. But, later, King James IV changed the holiday to January 1 for New Years. The people that still celebrated it April 1 were called 'April fish' and sent mock presents. April Fools' Day may also be related to the ancient Roman spring festival Hilaria, which celebrates the resurrection of the god Attis. www.entourages.com
