Last Celebration of the Summer

Strike up the grill, grab your picnic basket and beach gear and join your family and friends in celebrating the last holiday of the summer season. Labor Day is a great opportunity for everyone to enjoy each others company and relax before the craziness of the fall and winter seasons begin. We encourage all of our residents to also use this time off to greet new neighbors and invite them to a cookout or day

at the pool. To allow our staff to enjoy the Labor Day holiday with family and friends, our office will be closed Monday, September 6th. We will re-open for regular business hours on Tuesday, September 7th. Summer is winding down and we hope you all enjoy your long weekend. The Preserve at Port Royal staff wishes you a very enjoyable and safe Labor Day weekend.

Back to School Happy Hour

Our next Happy Hour event is scheduled for Friday, September 3rd. We will be serving beverages and appetizers as usual from 5:30—7:30 p.m. in the Main Clubhouse. Although the time and place remain the same, this month's theme will be slightly different. September's Happy Hour theme is "Back to School". This month we are encouraging each of our participants to make a school supply donation. In fact, the first 10 participants who donate school supplies will automatically win a gift certificate to Carolina Wings restaurant. In addition, all residents who bring supplies will be entered to win \$100 off rent. Not only is this event a chance for you to win some fabulous prizes, but it is a great way to get to know your neighbors and staff. Come join us for great food, enjoyable company, and lots of fun!

Supervising your Children

It makes us happy knowing that you and your children are enjoying all the amenities our community has to offer. To continue providing comfort and safety to our residents, we would like to remind all parents about the importance of supervising your children. Whether enjoying the games in the clubhouse, splashing around in the pool, doing homework in the business center, or riding bikes through the community, it is important that children are accompanied by an adult. Also, children under 14 years of age are not permitted at the pools without the supervision of an adult. Since the fitness centers house large, heavy equipment and weights, it is for your children's safety that they are not permitted in the fitness facilities. We would like to thank you in advance for your cooperation in keeping your children safe.
